In the Auditor Report under point no. 1 of Basis for Qualified Audit Opinion, it has been stated that "Attention is drawn to note no. 1(a) and note 14 of the Balance Sheet to the effect that these accounts have been prepared without following the

going concern assumption on the closure & cessation of the two business segments by the Company and disposal of major assets of these discontinued segments in preceding years".

Board's Reply

As the members are aware that the Company has exited from the edible oils business due to adverse market conditions and bleak prospects & all the workers and the employees employed at the factory at Sansarpur Terrace had resigned voluntarily. Thereafter looking at the bleak prospects, the Company had sold off its assets at the factory after taking permission from the members of the Company, to pay off its liabilities. Thereafter the Company ventured into marketing and distribution of liquor but the same has also been discontinued. Since at present the Company had no continuing business except for the liquidation/realization of the liabilities/assets of the previous businesses, the accounts of the Company have been drawn without following the going concern assumption.

Independent Auditor's Report

To the Members of Suraj Industries Limited

Report on the Financial Statements

We have audited the accompanying financial statements of **Suraj Industries Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2016, Statement of Profit & Loss and Cash Flow Statement for the year ended on that date and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act 2013 ("the Act") with respect to the preparation of these financial statements to give a true and fair view of the financial position, financial performance and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgment and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken in to account the provisions of the Act and the Rules made thereunder including the Accounting Standards and matters which are required to be included in the audit report. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act and other applicable authoritative announcement issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair

view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Audit Opinion

1. *Attention is drawn to note no 1(a) and Note 14 of the Balance sheet to the effect that these accounts have been prepared without following the going concern assumption on the closure & cessation of the two business segments by the company and disposal of major assets of these discontinued segments in preceding years.*
2. *Company has a sum of Rs 6.38 lacs as recoverable advances on account of sales tax and income tax refunds, which in view of long time lag, in our opinion, are not realizable and should have been written off. Therefore, the Loss of the year and current assets are shown more by Rs 6.38 lacs and deficit in Statement of profit & loss account is shown less to that extent.*

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

2. As required by section 143(3) of the Act, we report that:
 - (a) We have obtained all the information and explanations

which to the best of our knowledge and belief were necessary for the purpose of our audit;

- (e) On the basis of written representation received from the Directors as on March 31, 2016 and taken on record by the Board of Directors, we report that none of the Directors is disqualified as on March 31, 2016 from being appointed as a Director in terms of section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial control over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'; and

**Annexure – B to the Independent Auditor’s Report
 Report on the Internal Financial Controls under clause
 (i) of Sub-section 3 of section 143 of the Companies Act,
 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Suraj Industries Limited (“the company”) as of March 31, 2016 in conjunction with our audit of financial statements of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedure to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedure selected depends on the auditor’s judgement, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we obtained is sufficient and appropriate to provide the basis for our audit opinion on

the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitation of internal financial controls over financial reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion

or improper management, override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.
