Introduction

This “Policy for determination of Legitimate Purpose” (“Policy”) is framed in compliance with the provisions of regulation 3(2A) of SEBI (Prohibition of Insider Trading) Regulations, 2015 (“PIT Regulations”), and amendments thereto and forms a part of the Company’s Code of Practices and Procedures for Fair Disclosure of UPSI. This Policy has been adopted to determine “Legitimate Purposes” for sharing UPSI.

1. Communication or procurement of Unpublished Price Sensitive Information (UPSI)

No insider shall communicate, provide, or allow access to any UPSI, relating to the Company or its’ securities which are listed or proposed to be listed, to any person including other insiders except where such communication is in furtherance of Legitimate Purposes, performance of duties or discharge of legal obligations.

Explanation: This provision is intended to cast an obligation on all insiders.

No person shall procure from or cause the communication by any insider of UPSI, relating to the Company or its’ securities listed or proposed to be listed, except in furtherance of Legitimate Purposes, performance of duties or discharge of legal obligations.

3. “Legitimate Purposes” – defined

What constitute a legitimate purpose for possessing of UPSI has been defined in Explanation to Regulation 3(2A) of the PIT Regulations and the same has been reproduced hereunder:-

The term “legitimate purpose” shall include sharing of unpublished price sensitive information in the ordinary course of business by an insider with partners, collaborators, lenders, customers, suppliers, merchant bankers, legal advisors, auditors, insolvency professionals or other advisors or consultants, provided that such sharing has not been carried out to evade or circumvent the prohibitions of PIT Regulations.

4. Recipient of UPSI for “Legitimate Purposes” shall be considered as an insider

Any person who is in receipt of UPSI pursuant to a Legitimate Purpose shall be considered as an insider for the purposes of the PIT Regulations and due notice shall be given to such persons to maintain confidentiality of such UPSI in compliance with the PIT Regulations.

Further, such persons to whom UPSI has been provided must be sensitized about the PIT Regulations, PIT Code along with this Policy and confidentiality so as to avoid any leakage.

5. Sharing of UPSI in the best interest of the Company

Notwithstanding anything contained in the PIT Regulations, UPSI may be communicated, provided, allowed to access to or procured, in connection with a transaction that would :-

where the Board of directors of the Company is of opinion that sharing of such information is in the best interest of the Company;

Explanation: *It is intended to acknowledge the necessity of communicating, providing, allowing, access to or procuring of UPSI for substantial transactions such as takeovers, mergers and acquisitions involving trading in securities and change of control to access a potential investment.*

In an open offer under the Takeover Regulations not only would the same price be made available to all shareholders of the Company but also all information necessary to enable an informed divestment or retention decision by the public shareholders is required to be made available to all shareholders in the letter of offer under the Takeover Regulations.

- (ii) not attract the obligation to make an open offer under the Takeover Regulations but where the Board of directors of the Company is of informed opinion that sharing of such information is in the best interest of the Company and the information that constitute UPSI is disseminated to be made generally available at least two trading days prior to the proposed transaction being effected in such form as the Board of directors may determine to be adequate and fair to cover all relevant material facts.

The board of directors, however, would cause public disclosures of such unpublished price sensitive information well before the proposed transaction to rule out any information asymmetry in the market.*

6. Agreement of confidentiality for non-disclosure of UPSI

In case the Board of directors considers that sharing UPSI is in the best interest of the Company, it shall require the parties to execute agreements or contracts of confidentiality and non-disclosure obligation on part of such parties and such parties shall keep information so received confidential, except if used for the purpose of legitimate objectives and shall not otherwise trade in securities of the Company when in possession of UPSI.
